Good afternoon Ms. Bell,

I hope your staying safe in this weird time. But, I wanted to reach out to you to see if we can remove one of the public trash cans in Watts. This trash can is being used by one of the residents that live on 103rd St. and Zamora Way. Due to the construction this bin is not being used by the public and one of the constituents sent me this photo. Can we please remove this bin from this location.
